WORKSHOPS

Workshops 1 through 12 are half-day workshops available for purchase by full (3 days), day (Friday OR Saturday) or half-day (morning OR afternoon sessions) convention registrants. Workshops A through H are "mini-events" designed for the first-time convention attendees and may be taken without full, day or half-day convention registration, but are available to all registrants. Full registrants will be given priority in all workshops, day registrants second priority. Positions will be filled in the order registrations are received **with the exception of the final two positions** in each event. In any over-subscribed workshop, these final two positions will be filled by a drawing to be held on July 1, 2012. Anyone not winning a position will be given an opportunity to participate in a different workshop, or will receive a full refund of the workshop fee at convention check-in. You may register for your alternate workshop choice. **Please indicate 1st choice, 2nd choice, 3rd choice, and remit the fee for the most expensive workshop.**
